

ILA Committee on the Role of International Law in Sustainable Natural Resource Management for Development

International Law & Sustainable Management of Natural Resources: Implementation Issues Athens, 10 May 2019

14.00-17.00, 'Alkis Argyriadis Hall', National and Kapodistrian University of Athens, 30 Panepistimiou st.

World-class legal experts and specialists shall share leading work and perspectives on the role of international law in sustainable natural resource management. The focus will be on the implementation of sustainable development principles in different contexts. Questions arising within this theme will include: What are the promises and challenges of international law on sustainable management of natural resources? What are the lessons learned from its application so far?
